The Board is of the opinion that said liability is not required to be deposited in Investor Education & Protection Fund in view of the fact that the repayment is being made by a specially created trust under the order of the court.

Management Response: Complete facts have been disclosed in the note which is self-explanatory and do not call for any further comments.

- (ii) **Note 11(b)** - Due to accumulated losses and loss for the year, the Company has not made provision towards interest on cumulative preference shares amounting to Rs. 95.00 lakhs.

Management Response: Provision for interest on preference share could not be made in view of substantial accumulated losses from earlier year.

f. For Audit Qualification(s) where the impact is not quantified by the auditor:

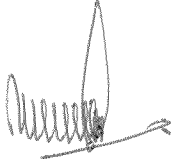

- (i) **Management's estimation on the impact of audit qualification:**

- (ii) **If management is unable to estimate the impact, reasons for the same:**

Note 11(c) - The Company has not obtained Actuarial Valuation with regards to Employee's terminal benefits i.e., Gratuity and Leave Encashment as mandated by IND AS 19 issued by the Institute of Chartered Accountants of India. In view of lesser number of employees on rolls, the Company has made provision for these benefits on actual basis as on the Balance Sheet date. In the absence of the same, the exact impact cannot be ascertained in the books of accounts.

Management Response: The Company had only three employees on its rolls at the end of the financial year. The gratuity liability is being provided on actual basis as per the provisions of Payment of Gratuity Act, 1972. Similarly, leave encashment liability is also provided on actual basis. The management feels that provision on actual basis is more prudent than the actuarial estimate in view of only three employees on roll.
